From Edinburgh, catch a Stagecoach 100/101/102 bus to Biggar – see timetable below. Once you are in Biggar then wait for the Stuart's Coaches 191 bus to Symington and catch that.

After the 191 bus leaves Biggar then it will cross over the River Clyde. You are nearly there, so please get ready to get off the bus! You want to get off the 191 as the bus turns off the main road (Biggar Road), left onto Manse Road. We will have a Lughnasadh sign on the left-hand side of this junction, plus a road sign on the right-hand side of the road shows **Symington ½** (pointing left, down Manse Road).

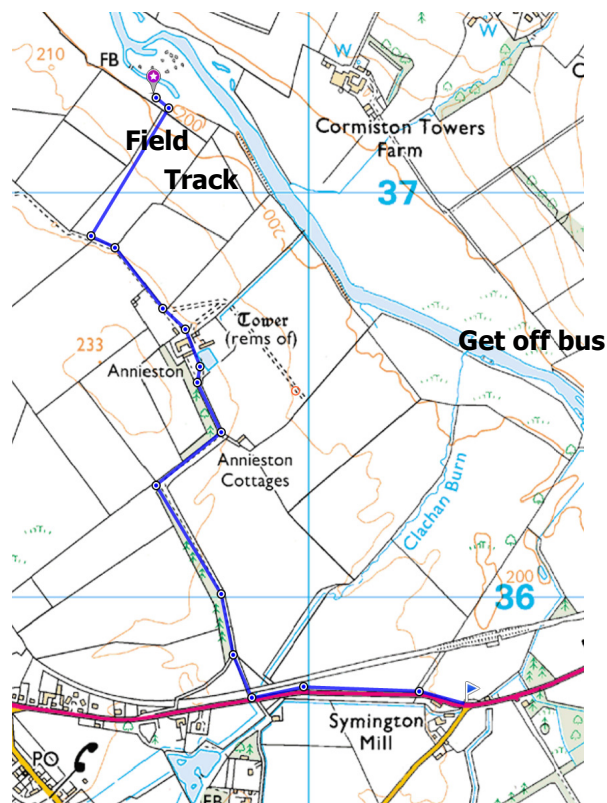

See the map overleaf. Once you are off the bus; cross to the right-hand side of Biggar Road and walk along it, away from Biggar, until you see a small wooded lane called Camp

Road to the left and a track on the right. There will be a banner with a green woman at the top of the track.

You want to follow the track. It will take a zig-zag route past houses and fields and will fork as it approaches a farm ahead – take the right-hand fork. Once past the farm, keep following the track as it leads to the left. After you pass the last barn on the left then you are looking for two fields on the right-hand side – you want the second field.

Go through that field - taking care to close the gate after you. Walk across to the gate on the opposite side, and please remember to shut that gate too.

You are there!

Getting there by car

From Edinburgh, take the A702 past Penicuik and through West Linton. Keep on the A702 until it joins onto the A72, and then follow that into Biggar. From Biggar, follow the A702 "Roman Road" out of Biggar and turn on the A72 "Biggar Road" towards Symington.

Keep following Biggar Road until you get to Camp Road, a small lane sharp on your left. Just after Camp Road, on your right, will be a track leading off the main road. There will be a banner with a green woman flying at the top of the track.

Once you hit the track, keep your speed low, and take care of potholes. The track will take a zig-zag route past houses and fields, and will fork as it approaches a farm ahead – take the right-hand fork. Once past the farm, follow the track as it leads to the left. You will pass by two fields and then the track will widen with a soft bank on the left where you can park your car.

You can park your car there but please make sure you do not block any track or gate.

There is a gate off the track through to an empty, green field. Go through that field – taking care to close the gate after you. Walk across to the gate on the opposite side, and please remember to shut that gate too.

You are there!

Getting back by bus

You will need to walk to the top of the track, cross Biggar Road and head along Camp Road (a small lane). Walk the length of that to Manse Road, then follow that to the right until you get to Main Street, in Symington village.

On the right-hand side of the junction between Manse Road and Main Street there is a bus stop for the 191 bus to Biggar.
